Instructional Design Program
for

The Bridge

Student Publication of Lipay Elementary School
District of Palauig
Division of Zambales

An afterclass conversation with Mrs. Irene G. Anonas, Gatekeeper

School Gate of Lipay Elementary School

Actual observation / sit-in. I trained the previous batch of their editorial board.
Four of them will still participate.

Meeting the new school principal, Mr. Ramoncito S. Pecson.

The original classroom where the instructional implementation should take place.

The classroom that was utilized for the instructional implementation.

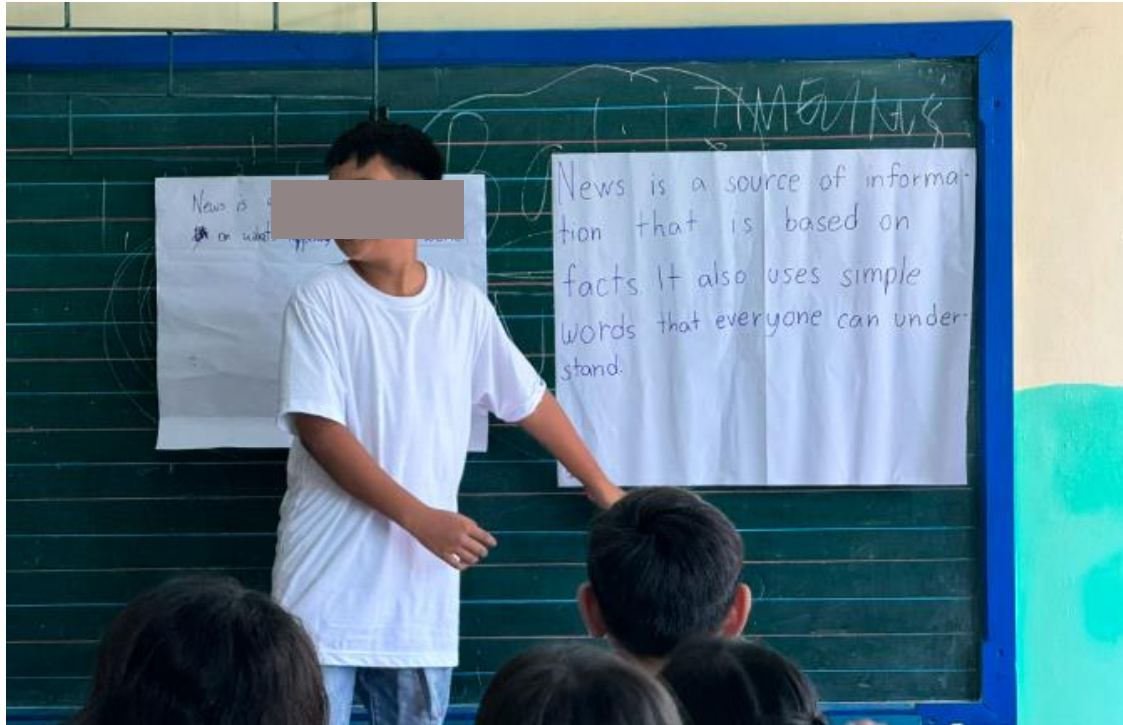

The students taking their pre-test.

The first three columns are the actual participant. Mrs. Anonas requested to have some observers from Grades 3 and 4 as preparation for the next school year.

The project teacher, Mr. Ace Edejer.
