Student's signature: 

Date: 7 April 2023

To the Head of Institution/ Practicum Supervisor,

I would like to express my deepest gratitude for extending your expertise and guidance to our student. With your help, our student will be able to achieve the objectives of the special project, gain invaluable knowledge and understanding of the work involved and required in the profession, as well as develops the skills needed in the field. Again, thank you very much.

Sincerely,

Asst. Prof. Leynard Gripal
Faculty-In-Charge, 3T 22-23 EDS 199 – Special Project

Gatekeeper/ External Adviser's Approval

Duties of the Gatekeeper:

- assigns tasks
- guides student in his/her accomplishment of tasks
- encourages creativity and innovation
- monitors progress
- provides regular feedback and comments
- signs practicum logs
- evaluates teaching demonstration/implementation or testing of output

This signifies my consent for the BES student to conduct special project in our institution/ organization/community class provided that s/he will abide by our policies and regulations. I understand that the student is expected to showcase creative and innovative application of theories and principles that s/he has learned from your undergraduate program in an actual professional work; thus, we shall provide the student with opportunities for such endeavor.
